OCA FILE SSCI/SALT

14 March 1988

MEMORANDUM FOR: DI/OSWP

INFO: DDI

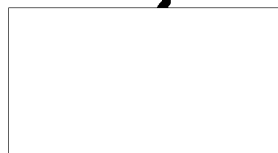

ACIS

NIO/SP

Garv Sojka of the SSCI staff has asked for CIA assessment of hypervelocity glide vehicles and how they fit into the INF treaty.

The staff would like to know how intelligence can monitor the level of development, test activity and performance of these vehicles. The Committee staff has the policy view of glide vehicles, but would like to have the intelligence assessment.

If possible, OCA would like to provide a response to the SSCI by 16 March.
